

# FOURIER INTERNATIONAL SCHOOL, AKURE, ONDO STATE, NIGERIA.

...raising world-class scholars and leaders

**Welcome to Fourier International School!**  
**Welcome to Fourier International School!**

Fourier International School provides international Education for children of ages six weeks to eleven years at affordable charges to make world class education available to as many children as possible. We use the Nigerian curriculum with a blend of the British curriculum.

We have provided world class learning and teaching facilities that can be compared to anyone available anywhere in the world with carefully selected qualified and motivated staff to achieve our goal of raising world-class scholars and leaders.

Parents and guardians who are in search of a safe, secured, standard, child-friendly and fun-filled school will find the information on this prospectus very informative to enable them make informed decisions about the education of their children worldwide

anywhere in the world with carefully selected qualified and motivated staff to achieve our goal of raising world-class
